IERF, the pioneer in credentials evaluation, was established in 1969 in the State of California as a non-profit, public-benefit agency. We are a Charter Member of the National Association of Credential Evaluation Services (NACES), a recognizing body for credentials evaluation services in the U.S. We are also affiliated with a large number of other [professional associations](#).

IERF's mission is to research and disseminate information on world educational systems and to facilitate the integration of individuals educated outside the United States into the U.S. educational environment and work force.

IERF's Credentials Evaluation Service provides assistance in interpreting the educational backgrounds of people who have studied outside the U.S. and who need statements of U.S. educational equivalencies. With over 30 years of experience and having processed over 300,000 evaluations, IERF is the oldest and one of the most respected foreign credentials evaluation agencies in the U.S.

Education Credential Evaluators
